

How to complete the AML/CTF Investor Identification Information Form

The Australian government has introduced legislation called the 'Anti-Money Laundering and Counter Terrorism Financing Act 2006' which is designed to combat money laundering and terrorism financing.

The introduction of this legislation means that investors must provide additional identification details when they request a 'designated service'. You may also be asked to provide supporting identity documentation.

What is a designated service, and are you requesting one of them?

- 1. Are you buying securities in a managed investment scheme (e.g. trust) through an Off-market Transfer?
- 2. Are you applying for securities in a managed investment scheme (e.g. a trust) by completing an application form?

If the answer is yes to any of these questions, you are requesting a designated service and therefore must complete an 'Investor Identification Information Form' and provide the identity documents specified on the form.

Which type of investor are you and which section of the form should you complete?

The amount of information you need to provide depends upon your Investor type. You need only complete the section(s) of the form that relate to your particular Investor type and circumstances, as follows:

Investor Type	Form
Trust	Trust or Partnership; and an Individual form OR a Company form in relation to all of the trustees
Partnership	Trust or Partnership; and an Individual form OR a Company form in relation to all of the partners
Government Body (foreign or domestic)	Government Body
Association (incorporated or	Associations & Registered Co-operatives; and If the customer is an <u>unincorporated</u> <u>association</u> , please also complete an:
unincorporated)	Individual form for all the governing committee members
Registered Co-operative	Associations & Registered Co-operatives
Financial Planners, Brokers or other AFSL Holders	AFS Licensee Information Form

What do you need to do?

- 1. Complete the appropriate form or forms for your Investor type by typing it, or handwrite in blue or black pen ink. Do not use correction fluid/tape or pencil. Please initial all corrections. Complete one form for each Investor.
- 2. **Include originally certified copies** of identity documents as specified on each form. A list of people who can certify documents is on the other side of this page. **Do not** send original documents as they may get lost. Certified copies of documents will not be returned to you.
- 3. Each Agent or Power of Attorney acting on behalf of an Individual Investor who has been appointed to make decisions "jointly" must identity themselves and provide supporting documentation.
- 4. If you are requesting a designated service via a financial planner or broker, provide your identity documents to them for verification.

5. Attach all of the relevant documents to the front of the transfer or application form and mail to:

Link Market Services Limited
Registry Operations – AML/CTF Processing
Locked Bag A14
SYDNEY SOUTH NSW 1235
AUSTRALIA

Please note: If you are lodging this form with an 'Application for Securities' such as the type used in a float or public offer, please send your AML form with your application to the address specified on the application form or in the PDS document.

AFS Licensees:

6. Verify the Investors identity and then complete the AFS Licensee form. Attach it to the Investor Identification Information Form.

Who can certify identity documents for you?

The following individuals are authorised to certify identity documents. One of the people on this list should certify your identity documents or we may have to reject your forms. You may <u>not</u> certify your own identity documents.
